## HISTORY OF THE KNICKERBOCKER GREYS

In the year 1881 Mrs. Edward Curtis organized a drill class for boys in order to secure for her sons who were attending a non-military school the advantages of military training. She was assisted by Mr. and Mrs. Joseph Bridgham and a number of friends. Mr. Bridgham secured the use of the 12th Regiment New York National Guard Armory for a drill hall and the services of Lieutenant Adolph W. Callison of the 22nd Regiment as Drill Master. The uniform selected was that of an English organization, consisting of a grey jacket, knickerbockers, and round cap, trimmed with black braid. In the following year Mr. and Mrs. Bridgham left New York. A Board of women managers was then established consisting of five members, Mrs. Edward Curtis, Mrs. J. L. Lee, Mrs. Lowell Lincoln, Mrs. George A. Meyer, and Mrs. Samuel P. Blagden. This board was enlarged from time to time and at present numbers fifteen including the following officers, President, Vice President, Secretary, and Treasurer. About the year 1922 a Military Advisory Board was formed of three members of the 7th Regiment. In 1931 three fathers of boys in the Greys were added to this board and Colonel Tobin of the 107th Regiment became the Chairman.

In the winter 1886-1887 the 12th Regiment moved into their new armory whereupon the Greys obtained permission to drill in the armory of the 71st Regiment then at Broadway and 35th Street and followed this Regiment in its successive removals first to Broadway and 45th Street and later to their armory at Park Avenue and 34th Street. During the building of this armory the Greys used various halls about the city for one season. Under the direction of Mr. and Mrs. Walter L. Suydam fine lockers were built in the 71st Regiment Armory for the guns and accoutrements of the Greys. In 1902 the 71st Regiment Armory was burned and the Knickerbocker Greys were invited to drill in the 7th Regiment Armory at

Park Avenue and 67th Street through the courtesy of Colonel Daniel Appleton whose interest in the Knickerbocker Greys never failed. He used to call the boys his "little Grey Jackets." Ever since this time the Greys have enjoyed the hospitality of the 7th Regiment, now the 107th.

In the year 1894 Lieutenant Callison retired and was succeeded as Drill Master by his assistant Captain Charles H. Hoyt who filled this office with rare devotion and conspicuous ability until his death in 1921. The following year Pierre Noël, Colonel of the Knickerbocker Greys, kindly acted as Drill Master. He was succeeded in the fall of 1922 by Major Allan Smith who has very efficiently instructed the boys up to the present time.

In 1890 Mrs. Beverly Robinson of the Board gave an Attendance Medal thus inaugurating the system of the giving of a 100 per cent medal for perfect attendance during the current season. Since 1917 a 98 per cent Attendance Medal has also been given to boys who have been obliged to miss from one to eight drills on account of illness. These medals are highly prized and cadets will forego many an inviting pleasure in order to maintain their record of attendance. Many boys have won the 100 per cent Attendance Medal for five consecutive years and in a few cases for eight. Any cadet who serves in the Corps for five consecutive years is awarded a Five Year Service Medal. At the final drill each year the Efficiency Plaque, which is a miniature copy of the War Memorial, is presented to the Colonel of the Greys as an award of merit. This was first given by Mrs. William Brevoort Potts in 1923. At the Competition Drill which is held yearly in April a medal is given for the most efficient cadet in each class, including Officers, Sergeants, Lance Corporals, and Privates, as awarded by the Judges.

About 1890, Mrs. Arthur M. Dodge, then Treasurer, presented to the Greys a stand of colors. These colors were used until worn out, when in 1897, they were replaced by a new set, the gift of Cadet John Auerbach. Most unfortunately these colors with the records and all the other property of the Greys were destroyed in the 71st Regiment Armory fire in 1902. In 1902 Colonel Edward P. Alker presented the colors

which have been used until this year when they were in such bad condition they have been replaced by new flags given by Mrs. William B. Potts, Mrs. Charles S. McVeigh, and Mrs. George F. Canfield. The first Guidon flags were presented in 1905 by Mrs. Hamilton Fish Kean. When these were worn out they were replaced by the present Guidons, the gift of Mrs. William E. S. Griswold. The Company Flag which is carried by the Company having the best record for drilling the previous month, was given in 1921 by Mrs. Wylls Terry. A Service Flag, the gift of Mrs. Charles D. Dickey, was presented by Major Daniel Appleton to the Committee of Veterans, representing the Knickerbocker Greys, on April 26th, 1918.

On April 6th, 1900 a flag was presented by the Knickerbocker Greys to the 71st Regiment.

The Knickerbocker Greys presented a loving cup to the 7th Regiment in 1904. This cup is held by the Company of the Regiment that makes the highest actual score in the annual skirmish run at Creedmore. In January 1912 a grandfather's clock was given to the 7th Regiment by the Knickerbocker Greys.

On April 29th, 1927 the Colonel's Sword was given to the Knickerbocker Greys by one of its earliest Majors, George de Clyver Curtis, son of the founder of the organization. This sword had been used by him during his tenure of office. At the time of its presentation the following quotation was inscribed on the blade, "Defend the Right. Draw me not without cause nor sheathe me with dishonor," which was copied from the old Spanish sword presented to General Custer who was massacred at Little Big Horn. On the scabbard are the names of all the Colonels of the Knickerbocker Greys. In the absence of Major Curtis, the presentation was made by Colonel Robert McLean, and the sword was received in the name of the Regiment by Colonel Robert McK. Etherington.

In 1899 Mrs. Edward Curtis was presented with a medal which later she had made into a pin, from which bars are suspended bearing the names of the Presidents of the Board of Directors. As each new President succeeds to office her name is added on a new bar. Each President retains the pin during her

term of office. At the 25th Anniversary Celebration a loving cup was presented to Mrs. Curtis by the members and former members of the Board of Directors.

On December 24th, 1897 the Knickerbocker Greys was incorporated under the laws of the State of New York. This was found necessary to avoid the danger of the organization being copied in every detail, uniform included.

In 1915, at the request of many former members, a Veteran Corps was formed. All former cadets of the Knickerbocker Greys are eligible to membership.

Among the many things which the cadets enjoy is an annual spring trip to some nearby place of military interest. They have been to West Point, Governors Island, Fort Totten, and Sandy Hook, where they have always been most kindly received and the trips have proved both pleasurable and inspiring. In 1908 one especially memorable occasion was the visit of the Knickerbocker Greys to Governor's Island by the special invitation of General Frederick D. Grant of the United States Army. The Corps had the honor of marching with the soldiers on parade and were reviewed by General Grant.

In 1918 the Knickerbocker Greys marched down Fifth Avenue in the Red Cross Parade and on several other occasions in the Loyalty Day Parades. On November 18th, 1921, they assisted at the reception given in the 7th Regiment Armory to Marshal Ferdinand Foch, Commander in Chief of the Allied Forces in the World War.

In 1928 the annual Church Parade was inaugurated. This first service was held at the Cathedral of St. John the Divine, in 1929 at St. James' Church and in 1930 at St. Thomas' Church. In 1931 the service will be at the Church of the Heavenly Rest.

In the past twenty-five years the organization has continued to increase in size and usefulness. The drills are held on Tuesday and Friday afternoons in the 7th Regiment Armory from October to April inclusive. Our thanks are due the 7th Regiment and its respective Colonels and Officers for their interest and unflinching kindness to the Knickerbocker Greys.

## HISTORY OF THE MEMORIAL TABLET

At the Final Drill on April 22nd, 1923 a bronze memorial tablet was given to the Knickerbocker Greys in commemoration of former members of the Corps who gave their lives for their country and those who saw service during the World War. The dedicatory address was made by Colonel George Emlen Roosevelt, a veteran of the Corps and Colonel Dudley N. Johnson accepted the memorial in the name of the Greys. This bronze tablet was designed by Mrs. Bessie Potter Vonnoh and hangs in the entrance hall of the 7th Regiment Armory. The names on the tablet are: Charles D. Baker, Welles B. Cumings, Lyman B. Cunningham, Stephen W. Dickey, F. A. Forster, Sheldon E. Hoadley, Edward La Marche, Richard Mortimer, Curtis S. Read, Francis D. Shepard, William H. Tailer, Moses Taylor, Harmon B. Vedder, James O. Vedder, Galebraith Ward, Marquand Ward, Kenelm Winslow, Edward Willis.
